

FINANCIAL INFORMATION

Refunds

Tuition and fees are subject to change at the discretion of the Board of Trustees. Franklin Pierce University reserves the right to change any charges upon general notice to the student body. Financial clearance must be met for a student to receive transcripts or a diploma. Although someone else may pay the charges, e.g., parents, friends, a company, etc., all charges are ultimately the student's responsibility. Charges listed are in effect beginning June 1, 2022.

General Refunds of Credit Balances

Students who receive financial aid and would like to request a refund of an applicable overpayment must submit a completed Refund Request form to the OSFS no later than two weeks prior to the end of the enrollment period provided the student is enrolled and attending class.

Students not enrolled can request a refund of their credit balance if it is the end of the loan period. All charges for a current term will be deducted prior to the release of funds. All credit balances created from Title IV aid will be returned to the lender at aid ending.

Refunds of Federal Financial Aid

Students who withdraw or are removed from enrollment prior to 61% of the term is completed will have their federal financial aid eligibility recalculated in direct proportion to the length of enrollment.

The percentage of time the student remained enrolled is the percentage of disbursable aid for that period that the student earned. A student who remains enrolled beyond the 61% point earns all aid for that period. The Return of Federal (Title IV) funds calculation is performed independently of institutional costs incurred for the period of enrollment. The date of withdrawal used to calculate the last date of attendance will be the last date of attendance as shown on the student initiated withdrawal form. Students who leave without completing an official change of status form and those who stop attending class will have their last date of attendance be the date of the last documented academically-related activity. Additional information may be obtained from OSFS.
