
UNIVERSITY POLICIES

Email and Electronic Signatures

The University maintains email accounts for all students and therefore, does not save student's personal email accounts. The University uses the Franklin Pierce email account as an official means of communication with students. University staff, faculty and departments will communicate to students directly through Franklin Pierce email and in many instances will consider this email correspondence as the student's. Faculty may communicate to an entire class of students in the same email and may expect students to signature reply in kind. Students are responsible for maintaining their University email account so that it is open for new mail and are expected to read their University email regularly and respond appropriately. If students choose to forward their University email to another email provider, they are still responsible for receiving all University communications.
