COLLEGE OF HEALTH AND NATURAL SCIENCE

Computer Information Technology

Professor: Sudarshan Erramilli

Mission of the Computer Information Technology Program
The mission of the Computer Information Technology program is to develop responsible citizens and ethical leaders through development of knowledge and skills in the field of Information Technology.

Information Technology represents the continuing convergence of technology in the computing and communications fields. The growth of the World Wide Web and the use of the Internet and intranet in business have resulted in the need for technically competent professionals.
