

# COLLEGE OF LIBERAL ARTS AND SOCIAL SCIENCES

## Emergency Medical Services

The Bachelor of Arts in Emergency Medical Services is offered to Traditional students at the Rindge Campus.

The Bachelor of Arts offers a social science pathway to a degree with a healthcare focus. This program is a hybrid program in which four courses are offered in online format only. Students are advised to develop a long-range plan with their advisors which insures that online courses are scheduled for the online terms when each course is offered.

### Expected Learning Outcomes

Upon completion of the Bachelor of Arts in Emergency Medical Services, students will be able to:

- Evaluate their clients' needs through application of social science principles and practices.
- Interpret implications for their role as emergency medical responders within the changing service models of the U.S. health care system.
- Apply ethical principles and conform to legal requirements applicable to their role as practitioners and members of an emergency medical services organization.
