

COLLEGE OF LIBERAL ARTS AND SOCIAL SCIENCES

History

Professors: [Mary C. Kelly](#), [Melinda Marie Jetté](#)

A Bachelor of Arts degree is offered in History for traditional students.

The mission of the History program is to produce students with a knowledge of American, European and World History; a knowledge of historical perspectives, thinking, and methods, including an awareness of ethical issues and human values in the study of history; and the ability to plan and complete historical research projects. Students must demonstrate their knowledge and methods in written and oral forms of presentation.

The major in History provides students with the essential skills for a wide variety of careers. Among the careers pursued by recent graduates are teaching, archival and museum work, law, business, government service, journalism, and higher degrees in history and public history.

Students achieving a grade point average at graduation of 3.25 or above in the History major are awarded Honors in History. Students achieving a grade point average at graduation of 3.50 or above in History are awarded High Honors in History. The GPA in the History major and for Honors in the History major is calculated by averaging the grades of all courses used to fulfill the requirements of the major. Any non-HS course used to fulfill a major requirement must be approved through the completion of a course substitution form and is included in the major GPA calculation.

Students who intend to teach History (Social Studies) in high school should refer to the School of Education for information on the Secondary Teacher Certification program.
