

ADMISSIONS

Test of English as a Foreign Language (TOEFL)

All applicants who were born outside of the United States and who did not graduate from a United States high school will be required to submit internet-based TOEFL (iBT) scores with their application. A minimum total score of 100 (with at least 25 in each section) is required. The Educational Testing Service (ETS) code for submitting your score to CASPA is 3709.

Application Process

Students must apply through the Centralized Application Service for Physician Assistants (CASPA) online at [CASPA.org](https://caspa.org). The CASPA application cycle opens each spring for the following academic year.

The deadline for submission of applications is November 1. After verifying the minimum requirements for admission are met, the program will evaluate each candidate's academic achievements, personal attributes and experiences. Factors given specific consideration are:

- Overall GPA or Science GPA of 3.5 and above
- Research, publications or presentations
- Significant personal experiences, such as work experience and overcoming significant life adversities and struggles
- Franklin Pierce University student or alumni
- Resident of Vermont or New Hampshire
- From an underserved or rural area or extensive experience with populations from underserved/rural areas

Please note that none of these factors, alone or in combination, guarantees admission. However, all else being equal, candidates who demonstrate a greater number of these factors will generally be in a better position for an interview and for admission. The admissions committee will consider these factors, along with the quality of the interview, to make recommendations for admission. Interviews are a requirement for admission to the program.
