

COLLEGE OF LIBERAL ARTS AND SOCIAL SCIENCES

Emergency Medical Services

The Bachelor of Arts in Emergency Medical Services is offered to Traditional students at the Rindge Campus.

The Bachelor of Arts offers a social science pathway to a degree with a healthcare focus. This program is a hybrid program in which four courses are offered in online format only. Students are advised to develop a long-range plan with their advisors which insures that online courses are scheduled for the online terms when each course is offered.

Expected Learning Outcomes

Upon completion of the Bachelor of Arts in Emergency Medical Services, students will be able to:

- Evaluate their clients' needs through application of social science principles and practices.
- Interpret implications for their role as emergency medical responders within the changing service models of the U.S. health care system.
- Apply ethical principles and conform to legal requirements applicable to their role as practitioners and members of an emergency medical services organization.
