

UNIVERSITY ACADEMIC POLICIES

Graduation and Commencement

There is a distinction between applying to graduate and participating in the Commencement Ceremony. Conferral of a degree occurs only when the University Registrar finalizes the student's academic record and confirms that all graduation requirements have been met. Participating in the Commencement Ceremony is simply the act of honoring and celebrating academic achievement.

Commencement Participation Policy

In order to participate in the May Commencement ceremony, **all students** must:

1. Submit a completed Notice of Candidacy for Graduation (NoC) form to the Office of the Registrar by the deadline (Rindge Campus students: October 1; Online and Graduate students: by February 1
 - a. The Office of the Registrar must approve all submitted NoCs. Once the NoC has been approved, any changes to that changes to a student's degree could affect their final graduation date, but not their participation in Commencement. Late NoCs will be accepted, but one's ceremony eligibility will not be guaranteed.
2. Not have participated in any previous Franklin Pierce University Commencement ceremony for this degree.
3. Fall under any of the following:
 - Have already graduated between the previous summer and April prior to commencement.

Requirements for participation in the Commencement ceremony are not subject to appeal.

A mandatory graduation fee of \$100 is charged to all students' accounts upon acceptance of the Notice of Candidacy to Graduate. The fee includes the conferral process and shipment of your diploma, your cap and gown, and other Commencement items, regardless of attendance. Student balances must be paid in full before diplomas are issued.

Graduation Requirements

It is the student's responsibility to monitor and complete all requirements to graduate. Your advisor can help shape your academic career, but the student must ensure that all requirements are met. The University confers degrees at the conclusion of each semester/term.

A student's degree will be conferred for the term/semester in which all requirements, including submission of supporting documents, have been met. Although course work may have been completed in a prior term, the degree will be awarded only for the term for which all academic and administrative requirements have been fulfilled.

Graduation requirements include:

- complete all requirements for the degree program;
- meet the residency requirement of the degree program
- achieve minimum cumulative grade point average requirements of the degree;
- submission of all supporting documents (such as official transcripts and test results);
- filing of the Notice of Candidacy for Graduation (NoC).

All academic and administrative requirements must be met. It is the responsibility of the student to be familiar with their program-specific requirements as these may supersede the university's minimum standards. Degrees are not awarded retroactively.
