CAREER Education in the Lloyd & Helen Ament Astmann '69 Career Center

The Lloyd & Helen Ament Astmann '69 Career Center is dedicated to strengthening the transition from academics to gainful employment and fulfilling careers. We help prepare our students and alumni through personalized career advising, career decision-making and innovative job search strategies. Our support services include individual counseling, personalized coaching, career development workshops, data-driven career assessments, current job and internship listings, virtual and on-campus recruiting, and graduate school and alumni resources.

Utilizing the Raven P.A.A.C.T. Mentorship platform, students and alumni can connect creating a Raven network of professionals and lifelong business relationships. Pierce Portfolio, powered by Handshake, hosts our online job and internship platform providing a variety of materials to help students research career options and identify potential employers and job opportunities. Lastly, our FPU Career Closet insures that every student has access to smart business attire and accessories – absolutely FREE!

As a vital part of the Provost Division, the Student Career Education department works closely with faculty and staff from all areas of the University to help students reach their full potential. The office supports students in identifying and choosing careers and developing the skills necessary to succeed in a competitive job market. Assistance is available for writing résumés and cover letters, applying to graduate school, job searching, interviewing and making the transition to the world of work. All students have access to services via phone, email and online.
