Veterans are reminded that their Veterans Administration (VA) checks represent an allotment based on the number of courses taken in the first term at Franklin Pierce. Any change in entitlement resulting from an increase or decrease in course load will take a month or longer to be processed by the VA.

This may result in under- or over-payments that will be adjusted in the next check. All overpayments must be returned to the VA. The VA may discontinue benefits for students who do not have previous transcripts sent to center within 30 days of enrollment.

VA – Veteran Readiness and Employment (VR&E) (monies sent directly to school)
VA checks are sent directly to the school. The Veterans Administration's Authorization and Certification must be completed prior to the student enrolling in the school. This paperwork informs the school the student is eligible for these benefits and that the school has to submit an invoice for payment. The benefit covers all tuition, books, and fees.

Veterans Benefit Policy
For students that are determined to be eligible for any type of Veterans Educational Benefits and/or entitlements, all sources of Franklin Pierce funding will be prorated, and possibly eliminated, dependent upon the amount the student is deemed eligible for in assistance from the VA. Refunds of financial assistance will only be for eligible Federal Pell Grant recipients.
