Human Resource Management Track

The M.B.A. in Human Resource Management track is designed for current or future managers who want the knowledge and skills needed to leverage the human capital within an organization. A company's human resources are critical to ensuring success. It is important to understand and manage those resources within an organization in order to both maximize output and control costs. This degree consists of 13 courses and awards 39 credits. Course work focuses on both the knowledge and skills needed to be a strategic partner in achieving your organization's goals and objectives. The M.B.A. in Human Resource Management program has been recognized by the Society of Human Resource Management as meeting the curricular guidelines critical for human resource professionals.

The M.B.A. in Human Resource Management program is enhanced by two unique elements

1. SHRM Approved Program – Franklin Pierce's program is one of the few master's programs in the U.S., and the only program in New Hampshire, that addresses all of the Society for Human Resource Management's (SHRM) critical competencies for human resource professionals.
2. Approved Provider by HR Certification Institute (HRCI) – Participants who have obtained PHR/SPHR professional qualifications by the Society for Human Resource Management will receive 36 Strategic or General CE credits for EACH course taken.
