Admissions and Acceptance

Criteria for initial application can be found in the Admissions section of the Catalog. Students applying to the School of Education Teacher Certification M.Ed. and Bachelor's Conversation programs should provide transcripts to demonstrate a CGPA of 2.8 or higher. Applicants who provide transcripts to demonstrating a CGPA of 2.79 or lower may work through the School of Education to explore potential solutions and/or alternative pathways to acceptance. The undergraduate transcripts of teacher certification applicants will be reviewed to ensure content requirements are complete. Any applicant with a deficiency of content required at the Bachelor's level will be required to develop a plan to complete required content. Evidence of the required content must be completed prior to student teaching.

Students accepted into M.Ed. Only will not need to take the Student Teaching and Seminar. However, they must take ED585 Student Research Capstone and pass background check for New Hampshire.

Requirements for Teacher Certification Programs

M.Ed. Only

Students accepted into M.Ed. Only will not need to take the Student Teaching and Seminar. However, they must take ED585 Student Research Capstone and pass background check for New Hampshire and any state they have lived in in the past 5 years.

Certification Only

Students pursuing Teacher Certification without a degree will need to meet all requirements for enrollment in the teaching certification program. Total number of credits for "Certification Only" may vary.

Double Certification

Students interested in combining elementary, middle or secondary certification with General Special Education may do so by indicating that in the application process. Students must also specify whether the M.Ed. degree will be in the area of Elementary, Middle, Secondary, or Special Education. Once accepted, students will need to take all applicable coursework in each area, complete a full student teaching clinical (16 weeks) in the first certification area and 10-weeks in each additional certification area. The N.H. TCAP must also be completed for recommendation.

Use of Undergraduate Credits

Undergraduate credits may be approved by the School of Education Director as credits only when a candidate is enrolled for the sole purpose of certification. Undergraduate credits will not count towards the Master's Degrees. Candidates may transfer in graduate credits with the Director's approval.

Preclinical/Field Placement and Clinical Student Teaching Experiences

All certification programs are approved by the New Hampshire State Department of Education and must fulfill the requirements described in N.H. Ed Administrative Rules 500 and 600 series. All students taking courses in the teacher certification program are required to meet all enrollment criteria and to take part in field placement hours. Those students seeking certification also participate in student teaching.

Pre-clinical/Field Experiences

Many courses in the School of Education require field-based assignments to ensure that the teacher certification majors are experience authentic teaching situations. We work with community partners to ensure that there is a mutually beneficial experience for the students in the local school districts and for our teacher certification students. Teacher certification majors must successfully complete all required field experience hours to pass the associated course. If a student has to retake a course with field placement hours, the student must also redo the full set of field hours and all relevant field assignments assigned through the course. Professional attire and travel to local schools are required for this course. Any student participating in a field experience must pass a New Hampshire background check, before a placement will be made.

Clinical/Student Teaching

A student teaching clinical experience is the final summative experience for all Teacher Certification majors. All certification programs are approved by the New Hampshire State Department of Education and must fulfill the requirements described in N.H. Ed Administrative Rules 500 and 600 series. Students must complete Teacher Licensure Gates 1-3 before they are placed in a student teaching experience.
