# UNIVERSITY ACADEMIC POLICIES

## Catalog Year

Students are subject to graduation and curriculum requirements in the catalog which was in effect at the time of their matriculation (typically one's entry year). A student may be approved by their academic advisor to be governed by a future catalog, provided they were enrolled at the time the catalog was published.

The graduation and curriculum requirements of the catalog are to be considered in their entirety; students may not fulfill part of their requirements from one catalog and another part from another catalog, nor may a student fulfill major requirements from one catalog and minor/certificate requirements from another catalog.
